**THANK YOU** to everyone who helped in one way or another to make this a successful year! We couldn't have accomplished so much if it was not for your involvement and support in our initiatives.

We have created a donation envelope for those who wanted to help but couldn't this year, those who wish to give a little extra and for those who have family/friends that would like to support our organization.

PALS is 100% funded through fundraising, donations and grants. As we look towards our future initiatives, we appreciate any help you can give to continue to make Lincoln Elementary School an enjoyable and educational experience for all students.

If you would like to make a tax deductible donation to our organization, we have enclosed a donation envelope for your convenience. Parent Association of Lincoln School, Inc. is an exempt organization as described in section 501(c)(3) of the Internal Revenue Code.

If you do not wish to contribute at this time, please feel free to keep the envelope for the future or if you prefer, you can return it back to school. Donations can be made anytime throughout the year and additional envelopes will be available in the school office.

Thank you for your commitment and generosity!
